

## *The Joys of Christmas*

*The Joys of Christmas* is Guideposts' annual full-size publication that features true Christmas-related stories with a spiritual point. Besides topics such as the traditions of family and/or friends, love and forgiveness, hymns and carols and church pageants, or how to find peace amid the seasonal frenzy, we include stories around holiday recipes and decorations. Please follow the *Guideposts* magazine guidelines, but we prefer manuscripts (up to 1,700 words) over pitches.
