

## *Mornings with Jesus*

Please submit three sample devotions written in the style of the Guideposts' *Mornings with Jesus* devotional. If you aren't familiar with the book, please see the sample pages.

Please submit your devotions to Joanna Kennedy ([jkennedy@guideposts.org](mailto:jkennedy@guideposts.org)). Kindly follow the guidelines below. Thanks!

1. A *Mornings with Jesus* devotion consists of a lead scripture, a devotional story, and a concluding Faith Step.
2. Please source your devotion's lead scripture from [Biblegateway.org](http://Biblegateway.org). (Cut and paste to avoid errors.)
3. If the devotions you submit contain any chronology concerns or a continuing story, please provide the order in which those devotions should appear.
4. Label your devotions LastNameFirstInitial\_Number (of devotion). I.e., Jennifer Bell's devotions would be labeled: BellJ\_1, BellJ\_2, BellJ\_3, etc.
5. We cannot accept previously published devotions, even if they appeared on a blog.
6. The total word count for scripture, devotion, Faith Step, and your name is 300 words.

Thanks so much! If you have any questions, please be in touch.
